

Lirika

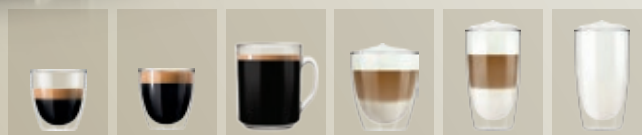

Description

Saeco Lirika is the newest jewel for the OCS and small HORECA environment.

Easy to use/maintain thanks to the large display with clear messages and icons, and high capacities to fit semi-professional applications. Short or long coffees can be dispensed, as well as hot water and steam via independent wand. The pannarello frother helps you in creating creamy cappuccinos and latte macchiatos.

Lirika benefits of all the best Saeco know-how: removable brewing unit (with aroma selection for the Plus model), pre-brewing system, A class boilers and ceramic grinders.

Enjoy your espresso specialities from fresh beans, easy to be prepared and served as in the best Italian café!

Main features

- Saeco brewing unit, with adjustable strength (Plus version)
- State of the art interface: 3 colours graphic display with clear buttons
- Extensive programming menu, easy to be set
- Professional homologation
- High capacity: 2,5 l water, 500 gr coffee beans
